

Post #731 DeBriefing

Supplemental Newsletter - Registration for Air Venture

We just received the registration packets for the 2005 Air Venture Explorer Base. Unfortunately, it was too late to be included in your regular newsletter, but due to the registration deadlines, you need to be informed of some important dates.

Registration Form Distribution: Friday April 15, 2005

The forms will be discussed and distributed on the Pizza and Movie night meeting at the IDOT-Aeronautics Conference room at 7:00 PM.

Registration Form Return: Wednesday April 27, 2005

Registration forms have to be returned with your \$25 deposit at this newly scheduled meeting. At the same meeting, we will also discuss the Post's participation in this year's Air Rendezvous.

Final Deposits due: Saturday May 21, 2005

The remaining \$100 of your registration will be due on this date. This also coincides with the Post campout as mentioned in the newsletter.

The Explorer Base will assess a \$20 fee for each portion that is not returned on time. Also, there are no refunds for either portion. If you are unable to attend, we can transfer the registration to another post member and you can settle-up with them directly.

If you have any questions concerning the above, please contact Jim Bildilli at 546-1026.

If you want to see what's already scheduled to appear at Air Venture, please go to www.EAA.org and click on Air Venture.
